Comments

Don't care about boys playing cricket
Observations- oh what you can see if you really look

Didn't like the main character

Not in the mood right now; will try again later
89 year old woman living in a caravan waiting for something to happen so she can die; a wonderful story of love

Excellent story but the main character does do incredibly stupid things for such a smart woman

the surprise of the year; I really liked this book!

Not a happy story

3 stories: trip to Japan to meet with Mr. Umezaki in search of prickly ash but also what happened to Mr. Umezaki
Not as good as some of her other books like The Greenhouse and Hotel Silence
A rousing tale of abolitionist John Brown told through the eyes of a teenage boy dressed as a girl

In a box found on every person's doorstep is a string that tells you how long you will live; open the box or not? /
The last Ruth Galloway mystery
The author's writing style did not work for me

the writing - so good!

Didn't like the main character

1800s young woman in medical school in Edinburgh

chance encounters and how they affect lives; and making family

Seemed to go on and on about the same thing

Love Paddy Meehan character

walk 600 miles to deliver a message to an old friend and the adventures along the way

Making a sweater from the sheep to the knitting

Divorcee works at a newspaper in the 50s Outer Hebrides

a delightful story; also enjoyed the TV series

I felt like I was in an insane asylum for most of the book, but it all becomes clear by the end. Zoe is truly aggravated

read more of these

too much violence in this one

started slow but a very intricate plot
Phoebe Reads a Mystery read by Phoebe Judge
excellent plotting

Didn't like the main character

Saved this one for last; it did not disappoint

ci's father; Mr. Keller and his wife Ann and the armonica; Holmes at home with the bees and Roger, his

maid's son, who also loved the bees
